

Gym. Team Is Still With Clean Record

Two More Hot Games On Basket Ball Court Sees Cubs And Saints Again Eat The Dust—Fourth Games To Be Played Tonight

The Maui Basket Ball League pulled off its third set of games on Friday, August 9th, at the Alexander House Gymnasium. The first of the two games played was in favor of the Alexander House Gymnasium team.

St. Anthony played a strong game in the first half and made the best score. The Gym. strengthened their team for the second half and carried the day. The score was 18 to 8. The line up for the Gym. team was: Chuck, Dan Low, Alfred do Rego, Jim Fut Kum, James Alo. Substitutes, Paul Low and John Wilmington.

St. Anthony: Edmund Hart, Ah Sang, John Vasconcellos, Francis Hamamoto, Aki Leong; substitute, Ah Chong Jim. Referee, Harry Gesner; scorer, Eddie Ah Tam; time of game 40 minutes.

Second Game Close

The second game was a great deal closer. Kahului did most of their playing in the first half. Fine team work on their part made them winners over the fast Cubs by a score of 9-6. Nevertheless, the Cubs were playing all the time, and Kahului had no time to rest.

The two opposing teams were as follows: Spencer, Ferner, Dan, Alex Morris, Vasconcellos for Kahului. Cubs: Eddie Rodriguez, Frank do Rego, John Kahokele, Reuben Cockett, Manuel Pomba and substitute, Reuben Goodness. Referee, Harry Gesner; scorer, Eddie Ah Tam. Time of game 40 minutes.

Another double header is to be played tonight at the Alexander House Gymnasium. The league gives two games weekly, until the season closes.

Games as played to date.	Played	Won	Lost	Per
Wailuku Gym.	3	3	0	1.000
Kahului	3	3	1	.666
Cubs	3	1	2	.333
St. Anthony	3	0	3	.000

Islands To Go Dry After Next Tuesday

The Grand Hotel, being all tied up in the courts, is not so certain of its future, but the management has plans on foot for opening an elaborate soda and ice cream parlor in one of the front lanai sitting rooms.

Old Booze Board Still On Neck

By an executive order just signed by Governor McCarthy, the present liquor license boards of the several counties will be continued to have charge of the distribution of such liquors as are permitted to be imported and used under the new law. The Maui board, consisting of C. D. Larkin, D. C. Lindsay, T. B. Lyons, W. F. Kaao, and D. H. Case, will have authority to grant licenses to such person or persons as it sees fit, to act as dispensaries. It will also appoint an inspector who must issue all permits for importing liquors and also permits to physicians and others authorized to buy from the dispensaries. Doctors will not be permitted to sell liquor "straight"—it must be combined with drugs. They may give prescriptions for liquor, but these must be o.k'd by the license inspector. Thus it is not going to be easy for to even a sick man to get an unlimited supply of "tonic" or "stimulant".

Liquor Supply Practically Gone.

It is reported by the few dealers who look out licenses the first of July, that their stocks are now practically exhausted, and that every drop they still have is "spoken for". They have had plenty of time to get into the clear, and most of them, claim at least, to have done so.

ANOTHER PARTY STARTS ON TRIP THROUGH CRATER

Undeterred by the experiences of the party of Mill school teachers last week, Judge Philip L. Weaver, his daughter Miss Mary C. Weaver, and Mrs. H. E. Hendricks, of Honolulu, arrived by Wednesday evening's Mauna Kea and left last evening for a trip around the island and through the crater. But they have carefully planned each step of their journey, and have arranged to keep in telephonic communication at every opportunity. Besides Judge Weaver has been over the ground before, and is well qualified as a guide.

The party will start by the Ditch Trail, going by Hana, Kipahulu and Kaupo, and back by Kaupa gap and through the crater. They expect to be gone almost a full week.

Kapehe Kualaina has brought suit for divorce from Mai Kualaina on grounds of failure to provide.

The Maui industrial accident board will hold its monthly meeting next Tuesday morning in the Wailuku district court room.

The last mail from the coast received here was on Tuesday of last week. If a coast mail is received tomorrow morning (which isn't certain) it will bring about 11 days later mail.

The little 6-year old son of Antonio do Rego was struck by a swing at the Alexander House Settlement play ground, yesterday afternoon, sustaining a broken arm.

Mrs. J. H. Raymond last week announced the engagement of her daughter, Violet Gertrude Makee, to Mr. Robert A. Smith, of San Francisco.

Miss Cleo Case this week finished her engagement with the Alexander House Gymnasium as girls' work director of gymnasium classes. Her work in the gymnasium has been very successful from all standpoints and Miss Case is to be congratulated on the showing she made. She will leave soon to resume her studies on the mainland.

Alexander Valentine, manager of the Olowalu Co., collided with a one horse wagon of a Japanese junk dealer, near Wailuku, last Sunday afternoon resulting disastrously to the property of the Japanese, who fortunately was not seriously injured. Valentine claims that the Japanese was on the wrong side of the road. The matter will probably be settled in the courts.

Public Utilities Board Visits Maui

W. T. Carden, chairman, and W. P. Thomas, a member of the Public Utilities Commission, accompanied by Miss Amalie Bostelman, secretary of the board, arrived here on Monday night from Hawaii and have been busy ever since investigating the several public utility corporations on Maui. They hope to finish their work in time to take the Monday night boat to Honolulu.

The companies in which the commission is interested on Maui are: The Kahului Railroad Company, the Island Electric Co.; the Lahaina Ice Company, the Hana Ice and Electric Co., and the Maui Telephone Co.

No formal hearings are being held on this trip, but the records of the several businesses are being gone into, and an inspection of the property of the companies made.

Mr. Carden left this morning for Hana to check up the Hana Ice & Electric Company. He expects to get back tomorrow.

A. J. Gignoux, the third commissioner, was with the party during its investigations on Hawaii last week, but did not accompany it here.

Appeals From Local Draft Board Taken

The local draft board is still busily at work re-classifying the draftees under the later instructions of the Honolulu board. Many in previously deferred classes are accordingly being advanced in the list. The board has been met with a large number of protests this time from men who claim exemption for various causes, and quite a number of appeals will probably be taken to the higher board.

Some 25 or 30 men previously disqualified for Class 1 for physical defects are to be re-examined probably next week, under modification of the requirements which will probably permit them to be sent into service. Most of these were left out before on account of lack of weight or height, and these requirements now modified will take in a number of Filipinos otherwise perfect physically.

MOLOKAI MAN FINED FOR ASSAULT

E. K. Devauchelle, of Molokai, was fined \$5 and costs by Judge Harry C. Mossman, acting as district magistrate in place of C. C. Conradt, disqualified, on conviction of assault and battery on Manuel Costa Amiren, a neighbor. The trial took place on Monday. The trouble between the men arose out of a quarrel between the children of the two families and Devauchelle was accused of going to Amiren's house and punching him in the face. Enos Vincent, of Wailuku acted as special prosecutor.

CONVICT BREAKS JAIL, STEALS WATCH, AND IS SOON CAUGHT

Benjamin Bellanulva, a Filipino territorial convict, belonging to the road gang working in Kula, took French leave last Sunday night, but was rounded up the following day by the police at Keahua camp where he was attempting to sell a gold watch.

Investigation developed the fact that after leaving the prison camp, Bellanulva visited the home of Joaquin Vincent, and lifted the watch from Vincent's clothes by reaching through an open window to the chair on which they were placed. The prisoner was convicted in Kaula and was serving a 2-year sentence. He will possibly be sent back to Honolulu tomorrow evening.

Year's Pine Pack Worth \$11,000,000

Rapid Development Of Great Industry Seen In Record Of Hawaiian Pineapple Co.—Big Rush Now Slacking After Strenuous Weeks

The rush at the pineapple canneries is about over, and many of the employees who have been working at high pressure are for the first time in weeks beginning to relax a little. The work will be brisk, however, for another week or two. At Haiku the company has put up about 5000 cases a day for some time past, and on several days reaching over 7000 cases.

Oahu and Kauai have also heavy yields this year. On Oahu the rush is also beginning to slacken.

The total 1918 crop for the Islands is estimated at 3,400,000 cases valued at about \$11,000,000.00. The canneries have been working almost night and day to get the luscious fruit into cans in perfect condition.

The rapid growth of this industry is shown by what the Hawaiian Pineapple Company is doing. Every fifty-four minutes' packing now, equals the total packed the first year the cannery was operated. Every morning's and every afternoon's packing, equals total for entire second year. A day's packing, has equaled the packing of the entire third year. In three consecutive days more pineapple was packed than the first complete four years of their operations.

They are now running at the rate of about 2,000 cases per hour and on a record day, running thirteen hours, packed 26,125 cases or 530,802 cans, which they believe is a record for a day's output in any kind of a cannery.

Figured in pineapples they have been running about 550 pineapples per minute.

Other canneries in the Islands have also shown enormous increase in production.

Accident Board Is Out For Employers

The industrial accident board for the county of Maui has been busy for the past several weeks rounding up slackers among employers on Maui. In other words the board has been making a searching investigation to find persons or firms who employ labor but who have neglected for any reason to provide compensation insurance for their employees in case of accidents.

It is understood that several dozen employers of this class have been found. Most of these have already secured their insurance, but a number of others will possibly be summoned to appear before the board next Tuesday morning to explain their neglect.
